

NYSIW 2020

New York State Informational Workshop

Welcome! We look forward to hearing from AA members from Area 47, 48, 49 and 50 about their experience and exciting developments in service to our program. We will be hosting panels representing each Service Committee as well and two speakers, one on each day.

Each Panel and Speaker Meeting will begin on the hour and end promptly 50 minutes later in order to leave time for announcements and transitioning from one event to the next. In addition, there will be a lunch and dinner break on Saturday to facilitate fellowship and give members an opportunity submit questions to the virtual Ask It Basket which will take place on Sunday morning.
